

HEADTEACHER | Mr. Simon Elledge

Dear Parents,

Although it has been a shorter week for the children, it has been a very busy week! The update on the pool is that the heater has just struggled to warm the water because of the outside temperature! For those of you who experienced the hail storm on Sunday, it is not surprising. Have swim kits ready (remember a swim hat is essential) and we will get in the water as soon as the temperature is warm enough. I will update all parents on Monday.

Next week we have three year groups out on trips and the year 3 and 4 will be going early so please check the trip letters from the teachers.

Have a good weekend,

Mr Elledge

Attendance this week, well done to Year 3!
