Dear Parents,

Do we have any carpenters out there who can help us make a water wheel for the Reception outdoor area? See me if you can help please!

With the year six SATs tests next week, just a reminder that there will be no swimming as we need to keep the school really quiet to give them the best chance for success.

Can we ask that those children who keep asking to borrow goggles get a pair and try them in the bath as we only have limited time to share around the few pairs of school goggles and adjust them to fit! They are not compulsory but many children ask to borrow them.

Have a great weekend,

 Mr Elledge
