Dear Parents,

With the weather threatening to warm up again can I remind all that putting suncream on and bringing hats in is helpful as shade is limited on the playground.

I am concerned about cars coming into the playground in the morning so I want to trial locking the big car park gates from 830-9am. If you walk in that way you will need to come in via the front of the school and the side gate.

Lots of trips starting again next week, please let us know if you can help as without your support we cannot run some of these.

Have a great weekend,

Mr Elledge

Attendance this week, well done to Year 4!
